CMPP Enrollment Pathways & PII Data Sharing 3/2/23
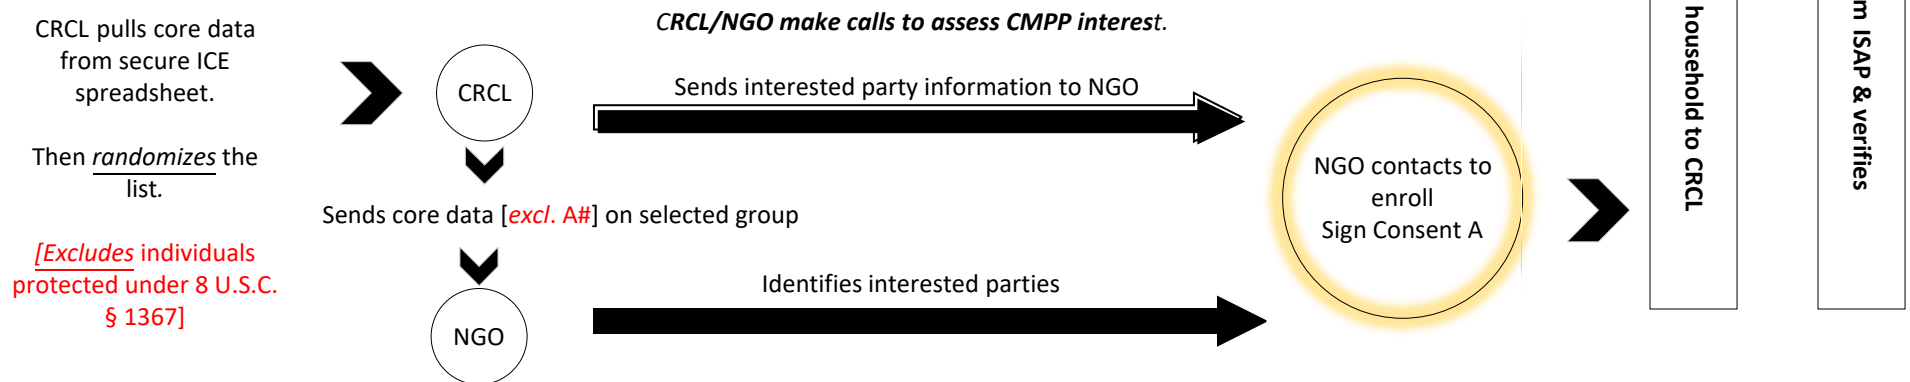

1 – Walk-In at NGO

NGO Collects core data [Including A#] → Interested parties sign Consent A → Securely transmits to CRCL [Including name/phone# DOB and A #] → CRCL *randomizes* the list. Sends back individuals eligible to enroll → NGO contacts to enroll →
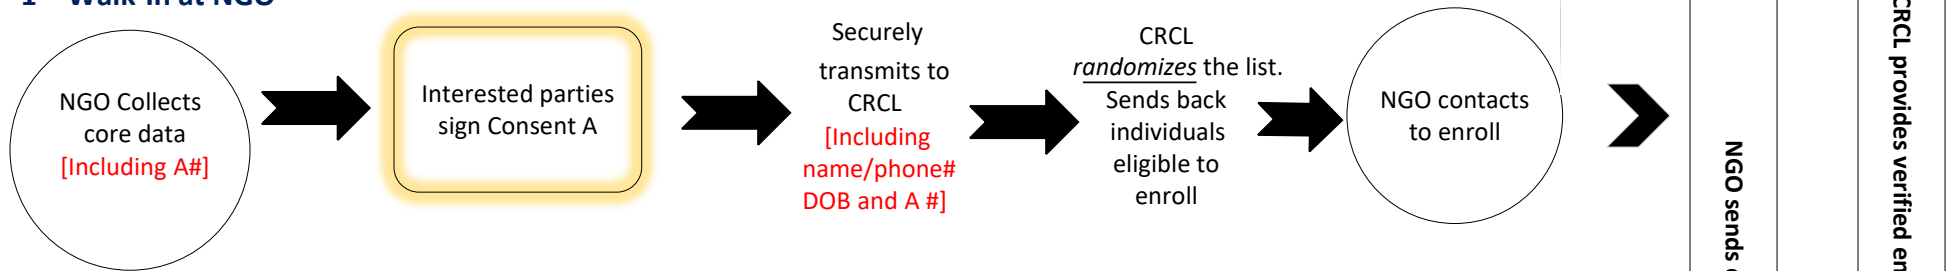

2 – In-Person at ICE Field Offices and/or CMPP-related locations

CRCL identifies interested parties Sign Consent B → CRCL *randomizes* the list, then sends core data + address on eligible parties to NGO [*Excludes* A#] → NGOs contact to enroll →
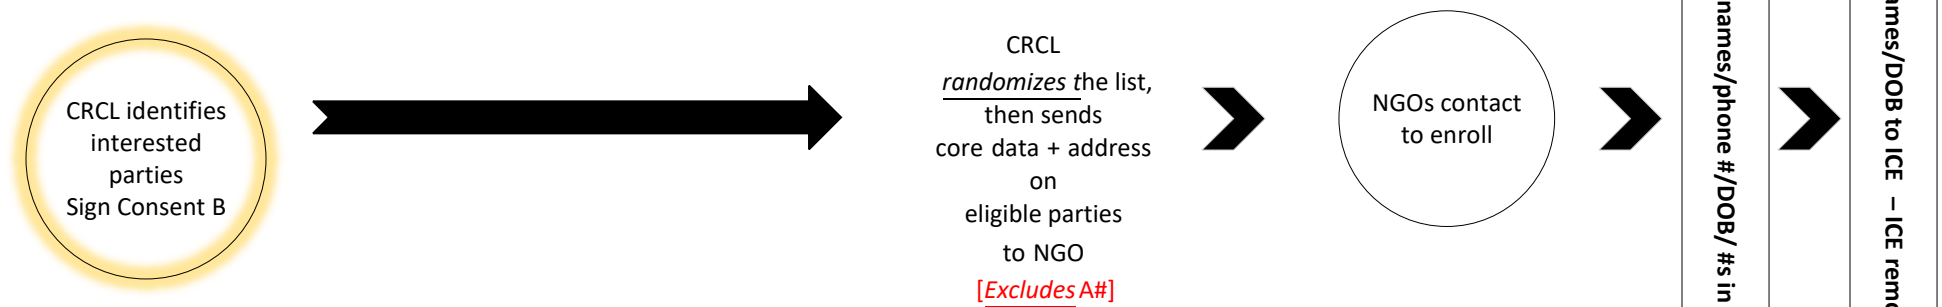

3 – CRCL Phone Vetting [Call/Text]

CRCL pulls core data from secure ICE spreadsheet.

Then *randomizes* the list.

[*Excludes* individuals protected under 8 U.S.C. § 1367]

CRCL → *CRCL/NGO make calls to assess CMPP interest.* Sends interested party information to NGO

Sends core data [*excl.* A#] on selected group

NGO → Identifies interested parties → NGO contacts to enroll Sign Consent A →

NGO sends enrolled names/phone #/DOB/ #s in head of household to CRCL →

CRCL provides verified enrollee names/DOB to ICE – ICE removes from ISAP & verifies

Core Data = Name / Phone# /Head of Household/ Email Address / Language /DOB/A#
